AUDIENCE

The St. Louis Visitor Fun Map is distributed at over 500 locations with geographic coverage targeting drive market and in-market visitors during the peak travel months.

Travelers select a map from one of 500 CTM distribution locations with intention... wanting recommendations from local experts to make informed decisions on where to go and what to do for fun in St. Louis.

In addition to your ad, your business is on the map with a locator point anchored to your exact location when visitors are planning travel routes and itineraries.

VALUE

Map ads are budget-friendly. Regardless of the ad size you choose, your campaign includes printing, distribution, and exposure over an entire travel season.

Travel maps, guides and brochures have an extended marketing life.

73% of visitors report sharing brochure information with others.

34% share them **with three or more** people.

68% hold on to their print for the duration of their visit or beyond.*

CONFIDENCE

Maps are often the first moment of discovery for your business and drive visitors directly to your website and social media accounts.

70% of visitors use travel brochures, visitor maps or guides for their trips; even with access to digital technology.*
